# Message:

*I feel contented that Bhadarwah Campus had taken an initiative of making the women of this hilly and remote region, computer literate keeping in view that education to one woman means education to a family. This course has been designed in such a way that prepares a woman to operate and manage computer for keeping them up with ever developing and advancing world of Information Technology. Moreover this course helps them to educate their younger ones with confidence and updated knowledge as internet is a tool with which no one is deprived to quench the thrust of knowledge and information.*

*Besides computer education, students are groomed and polished by the experienced faculty for communication and management skills.*

*We invite you to the world of computers without which no one can expect growth and prosperity in the future which is going to be IT driven. Bhadarwah Campus is providing an opportunity and one should avail it.*
