

Placement Drive at Bhaderwah Campus

This is for the information of all the students of Bhaderwah Campus and all Degree Colleges of District Doda and Kishtwar that Bhaderwah campus is organizing a placement drive in collaboration with IMS Health under NSDC UDAAN Project on **Dated: 22-05-2015**. IMS Health is world's leading provider of healthcare skills development, capacity buildings, consulting & research with over 50 years of experience and operations in over 100 countries. IMS serve more than 5,000 healthcare clients globally & having 9,000 plus employees globally.

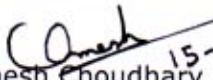

In India, IMS has a strong presence with a team of over 2000 people. Their existing operations network is spread across 45 cities and at the national level in Mumbai, Delhi, Gurgaon and Bangalore. IMS India is providing consulting and project management services to over 500+ clients in the government and private sector. The IMS teams continuously engage and work with Hospitals, Doctors, Diagnostic centers and Pharma companies.

IMS recently got a project from NSDC which is further sponsored by Ministry of Home affairs where IMS is training candidates for six month (3 month training and 3 month OJT) and observing them within IMS or its associates companies. Under the program the candidates training expenses will be borne by IMS and boarding and lodging, travel, insurance and stipend of Rs. 2500/- per month is borne by NSDC. **The candidate should have the J&K domicile.**
